Rixos Hotels Quality Policy

RIXOS HOTELS QUALITY POLICY

With guests at the heart of everything we do, investigating their requests, expectations, needs and planning and delivering high-quality services accordingly, creating guests that are loyal to the Rixos brand while offering products and services compatible with food safety principles, and, thanks to these, creating measurable value to our guests, society, and employees is exactly what underlies Rixos Hotelis presence.

We hold ourselves responsible to act in accordance with national laws and international standards to ensure food safety throughout all phases until food is served to customers and employees.

In line with our strategic human resources management, we deliver continuous training in order to ensure that Rixos Hotels employees are cognizant, actively engaged, and to further enhance their personal development and competencies.

Making quality measurable means identifying targets by establishing connections between results so as to continuously improve the system, and ensuring collaboration between management and employees.

As the Chairman, I fully support this quality policy that will enable Rixos Hotels to become the leader in the tourism industry through global brand recognition built on quality products and services and I cordially invite all employees to understand, share, and implement this policy.

Fettah TAMİNCE
Chairman of the Board

Rixos Hotels Environment Policy

RIXOS HOTELS ENVIRONMENT AND ENERGY POLICY

We, as Rixos Hotels commit to predict all environmental impacts of our activities and take necessary measures,

to offer innovations which can reduce the environmental impact, to protect environmental balance and biological diversity during the services we provide to our guests,

to take measures to use natural resources in a correct and efficient way, and to achieve continuous improvement by following technological developments,

to organize necessary training programs to increase environmental awareness and to encourage employees to have personal responsibility,

and while carrying out our activities, to comply with the applicable legal requirements and other international requirements, to establish good relations and communications with the communities in the regions we are in and to provide common interests.

I, as the chairman of the board support this quality policy in order to make Rixos Hotels a leader in the sector in terms of providing environmental awareness and urge our employees to understand, explain and implement our policy.

Fettah TAMINCE
Chairman of the Board

BABY BEACH

Baby Beach with a launch of this project we created a special environment for small ladies and gentlemen for safe swimming in sea and protected sunbathing. The castle created by professional team fulfills all needs of the children. While parents are enjoying sun bath at the beach, children are playing in a safe environment, which protects them from sun burn and sea access.
